6-F-h. (A.S.) "Mr. President, Ordinance 6-F-h, is a certification by the City Clerk regarding initiative petition for adoption of an ordinance entitled "Right to Speak" Ordinance. The proposed initiative ordinance will be deemed to have had its First Reading at the conclusion of my Certification Statement this evening. The Public Hearing, Second Reading and Final Passage on this item will be held on February 2, 2000 at 1:00 P.M. in this Council Chamber. This is a Certification Statement, Council President.

I, Robert P. Marasco, Municipal Clerk of the City of Newark, New Jersey, in compliance with the provisions of N.J.S.A. 40:69A-187 have caused to have examined a citizen initiative petition for adoption of an ordinance entitled "Right to Speak" Ordinance, filed with the Office of the City Clerk on December 21, 1999 and I do hereby certify that my letter of January 10, 2000 addressed to Members of the Newark Municipal Council is a true and correct statement of the results of the examination of said citizen initiative petition. (A true and correct copy of said initiative petition is attached).

I do hereby further certify, as set forth in my January 10, 2000 letter, that said petition is insufficient insofar as it is supported by an insufficient number of registered voters to qualify for submission to the voters at a special election in the event the Municipal Council shall fail to pass an ordinance as requested by the initiative petition in substantially the form requested.

I do hereby further certify, as set forth in my January 10, 2000 letter, that said petition is supported by a sufficient number of qualified voters to require submission to the voters at the next general election unless: i) the Municipal Council shall pass within twenty (20) days hereof an ordinance as requested by the initiative petition in substantially the form requested; or ii) alternatively, a written request to withdraw said initiative petition, signed by at least four of the five members of the Committee of Petitioners, is received within ten (10) days of any final adverse action by the Municipal Council or after the expiration of the time allowed for said action.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 19th day of January, Two Thousand. Robert P. Marasco, City Clerk.

The effect, Mr. President, of my having read the Certification Statement means that from a practical purpose, the ordinance that has been submitted to the Council through the initiative petition process is now deemed to have been adopted on First Reading. The Public Hearing, Second and Final Reading of this citizens initiative ordinance, as I have stated, will be held at the Council meeting of February 2, 2000 at 1:00 P.M. in this Council Chamber."

2. At 6:00 P.M. on the 3rd Wednesday of the month also in the Municipal Council Chamber.

President Bradley called for those desiring to be heard on the ordinance to approach the rail, give their name and address and be heard.

Council Member Booker questioned if someone from Administration had addressed this lease agreement since employees have complained about unhealthy and poor working conditions in said building.

Council Member Tucker indicated that this was initially proposed as a temporary lease to replace 32 Green Street until it was to be torn down and a new building erected on that site about three or four years ago.

MR. FRANK HURTZ, 402 MT. President Bradley directed the City Clerk to have a member of his staff sit with Mr. Hurtz to go over his questions, in order that he may receive specific answers to each query.

Those persons wishing to address the Municipal Council shall provide by the above deadline the following information to the Office of the City Clerk: signature, printed name, place of residence, day and evening telephone numbers and nature or subject of the proposed topic.

The meeting to be held on the fourth Wednesday of each month at a location within the electoral wards commencing at 7:00 P.M. and ending not later than 10:00 P.M. shall be in accordance with the following schedule: And it lists exactly where those would be held.

The location of the Hearing of Citizens meetings to be held in the respective wards shall be publicly announced by the Municipal Council and City Clerk in accordance with the provisions of the New Jersey Open Public Meetings Act but not later than ten (10) days prior to the fourth Wednesday of the month.

Any person may be permitted to address the Council at any Ward Hearing of Citizens meeting provided that notice by such person is given to the representative of the City Clerk upon that person entering the place of the meeting and so forth and so on. I just wanted everyone to understand.

Now, the manner of addressing the Council. Each person addressing the Council shall step up to the microphone, shall give his or her name and address in an audible tone of voice for the record, and shall limit his comments to five (5) minutes. All remarks shall be addressed to the Presiding Officer and Council as a body and not to an individual Council Member. A Council Member shall not interrupt a speaker during their five (5) minutes of speaking time, except the Presiding Officer for parliamentary purposes only. Questions asked by the speaker shall be responded to by the Council at the conclusion of the speaker's presentation. A Council Member who wishes to respond to a speaker's remarks or to questions or have questions posed to the speaker, shall limit his response and/or remarks to not more than three (3) minutes. That is a substantial change. Council people will not be able to ramble on for 40 and 50 minutes pontificating about what great things they're doing. They have three minutes to pose a question, and that's it. No person, other than Members of the Council and persons having the floor shall be permitted to enter into any discussion, either directly or through a Member of the Council, without the permission of the Presiding Officer, meaning the President of the Council. No question shall be asked of a Council Member except through the Presiding Officer, and so forth."

Council Member Bridgeforth further stated she would in no way endorse an ordinance which would prohibit citizens from speaking to the Members of the Municipal Council and indicated that this provides those residents who are unable to stay at Municipal Council meetings until the end a chance to speak at a more convenient time and perhaps encourage more participation since residents would now be able to speak during the Hearing of Citizens portion of the meeting as well as during Public Hearing ordinances.

Council Member Tucker, through the Chair, directed the City Clerk to make available to the public copies of Ordinance 6-Ph, S & F-f on the February 2, 2000 Municipal Council agenda in order that they may have an opportunity to read it and base any opinions they may have on its factual contents.

Council Member Amador stated he feels Ward Hearing of Citizens meetings are certainly worthwhile since much has been accomplished within the East Ward as a result of some of these meetings.

February 2, 2000

President Bradley expressed the hope that residents will continue to attend the Ward Hearing of Citizens meetings in order to have dialogue with Members of the Municipal Council as well as neighborhood residents and affect a change when needed.

Ordinances on Second Reading and Final Passage.

President Bradley called for ordinances on second reading and final passage.

6-S & F-g.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing held thereon. It is now before you for second reading and final passage:

President Bradley: The yeses are nine and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

Council Member Tucker stated he feels all questions which were posed to Administration by the Municipal Council have been answered to their satisfaction.

Council Member Booker, through the Chair, directed the City Clerk to communicate with Business Administrator Watson requesting they provide the Municipal Council with specific figures of how much rehabilitation of 32 Green Street would cost the City of Newark versus the demolition of same and the leasing of 55 Liberty Street.

MS. NANCY ZACH, 272 WALNUT STREET, NEWARK, NEW JERSEY addressed the Members of the Municipal Council requesting clarification on this ordinance and expressed concern that since the time has been changed for the start of Hearing of Citizens meetings prior to regular Municipal Council meetings, there has been a decrease in citizen attendance.

Council Member Walker indicated some Council Members can't make all "Hearing of Citizens" and the speaker should not give the impression that they don't want to attend.

Council Member Chaneyfield Jenkins stated the Municipal Council is making every commitment to be at meetings.

No one else appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by the Council of the Whole and declared adopted by President Bradley by the following votes:
